

Revised selection of cases for publication in *Reports of Judgments and Decisions 2008*¹

Notes on citation:

Cases are listed alphabetically by applicant and by respondent State.

By default, all references are to Chamber judgments. Grand Chamber cases, whether judgments or decisions, are indicated by "[GC]". Decisions are indicated by "(dec.)".

The volume composition for the years 2008 has not yet been determined. Until further notice, cases of 2008 may be cited simply by indicating the year of publication e.g. ECHR 2008, without adding a volume number. For further information on the manner of citing the Court's case-law, please see [here](#).

The Court reserves the right to report some or all of the judgments and decisions listed below in the form of extracts. The full original language version or versions of any such judgment or decision will remain available for consultation in the HUDOC database.

Table of Contents

I. Cases listed alphabetically by applicant by year	2
II. Cases listed alphabetically by respondent state by year	9

¹ This selection of cases for publication in the *Reports of Judgments and Decisions* for the year 2008 has been made by the Court's Jurisconsult and approved by the Bureau. This selection replaces that initially made by the Publications Committee. The HUDOC database and the lists published on the Court's website, notably the alphabetical and chronological lists, have been amended accordingly. The composition of the *Reports* for the years 1999 to 2006 inclusive remains unchanged.
