

List of cases selected for publication in *Reports of Judgments and Decisions* 2015¹

[Updated January 2016]

Notes on citation:

Cases are listed alphabetically by applicant and by respondent State.

By default, all references are to Chamber judgments. Grand Chamber cases, whether judgments or decisions, are indicated by "[GC]". Decisions are indicated by "(dec.)".

Chamber judgments that are not yet "final" within the meaning of Article 44 of the Convention² are marked "(not final)". In the event that any such judgment is accepted for referral to the Grand Chamber in accordance with Article 43,³ it will not be published in the *Reports of Judgments and Decisions* 2015, but will be replaced by a judgment or decision from the "Reserve list".

The volume composition for the years 2015 has not yet been determined. Until further notice, cases of 2015 may be cited simply by indicating the year of publication e.g. ECHR 2015, without adding a volume number. For further information on the manner of citing the Court's case-law, please see [here](#).

The Court reserves the right to report some or all of the judgments and decisions listed below in the form of extracts. The full original language version or versions of any such judgment or decision will remain available for consultation in the HUDOC database.
